Distribution of Shares (Please choose a day)

- Monday (noon to close)
- Wednesday (noon to close)
- Friday (noon to close)

Note we close at 5:30pm (June, July, August) and 5pm (September & October)

On your designated distribution day, just check in with our farm stand staff to pick up your pre-boxed share. Your share will be quality produce, which is picked fresh daily. Cut your own flowers and herbs are also part of your share and are available for cutting (when ready) on your designated pickup day. You are also welcome to shop for additional produce and local items, such as cheese, ice cream and maple products, which are available in our farmstand.

The majority of fruit and vegetables offered in the CSA share are grown at Surowiec Farm. Please note that weather and growing conditions are factors in the availability of all our crops. We will always try to provide a good mix of fruits and vegetables throughout the season. *Stephen & Katie Surowiec*
